

# LOUISIANA MIGRANT EDUCATION PROGRAM

## Family Search Form Protocol

The Louisiana Migrant Education Program (LMEP) is a federally funded program [Title I, Part C] that funds high quality education programs for migratory children. Student eligibility is determined through an interview with the family conducted by a member of the LMEP Identification and Recruitment (ID&R) team. To support the team's efforts to identify potential migratory students and/or families in your district, please have families complete and return the "LMEP Family Search Form" as part of your registration process. Below are the steps involved in the Search Form process.

1. **Place the "LMEP Family Search Form" in all school registration packets, both paper and electronic.** This form should be given to every family as part of the yearly registration process. If a student enrolls in the school district during the year, they should complete a search form as well. In addition to English, the form is available in Spanish and Vietnamese. The PDF forms are available for [download at this link](#) and the electronic form can be [accessed at this link](#).
2. **Send "yes" Search Forms in to the LMEP Identification & Recruitment (ID&R) Team.** If the family answers "yes" to either of the questions on the form, please send a scanned copy of the form via email to the following email address: [idr.team@louisiana-mep.org](mailto:idr.team@louisiana-mep.org).
3. **ID&R team determines eligibility:** The LMEP ID&R Team will follow up with the family to determine if the family is eligible for the MEP. A complete list of the ID&R Team that may be contacting you or these families is listed on the second page of this letter. If they are unable to reach the family, the ID&R Team will contact the district for additional or updated contact information. The district's federal programs staff will be notified if the family is found to be eligible for the LMEP.

If you have any questions, please contact Laurie Stewart at 225-369-0560.

With thanks for your support of the LMEP,

**Melanie Mayeux, MEP State Director**  
Louisiana Department of Education
